What have **you** done for love?

Have you dressed in yellow stockings? Have you hidden your true identity? Or have you just let whatever happens, happen?

Alone in a man's world, shipwrecked Viola disguises herself as a boy to get a job with Count Orsino. The lovesick Count immediately employs her—er, him—as emissary to win over the beautiful Olivia...only to have Olivia fall for the messenger! When Viola's twin brother arrives, mistaken identities confuse, confound and delight. Regarded as one of Shakespeare's finest romantic comedies, *Twelfth Night* is not to be missed!

Twelfth Night features Patrice Binaisia, Leon Branton, Eric Carlson, Adam Channel, Melanie Curry
Sonya Kreiden-Karaim, Norman Macleod, Orlando Mendoza, Jerome Solberg, and Wendy Welch
Assistant Director Svetlana Couture ~ Production Assistant Debbie Zike
