Sally Brown joins Linus, Lucy, Schroeder and Snoopy in an average day in the life of Charlie Brown. It really is just that, a day made up of little moments picked from all the days of Charlie Brown, from Valentine's Day to the baseball season, from wild optimism to utter despair, all mixed in with the lives of his friends (both human and non-human) and strung together on the string of a single day, from bright uncertain morning to hopeful starlit evening. The 1999 revival of Charlie Brown won two Tony Awards and three Drama Desk Awards. Come have a happy day with the Peanuts gang!
