MORE: Actors Ensemble of Berkeley continues it's 53rd season with perhaps Noel Coward's finest play, *Bliethe Spirit*, just recently the subject of a successful Broadway revival starring Angela Lansbury. *Bliethe Spirit* is the tale of a man, a medium, and his two wives - one who is living, and both of whom are still very much present and eager for his affection. For our production of this "soufflé of sparkling wit, laced with metaphysic, and just a pinch of sadness", we are pleased to have the "inventive and groundbreaking" director Hector Correa at the helm, along with his frequent collaborator, our own talented set designer Rose Anne Raphael. Join us for the fun! For more info visit www.aeofberkeley.org
